“ Your parents have been my neighbor for 40 years and I am heartbroken they are now both gone. I've had many conversations with your dad since your mom's passing--usually about the lawn, his ditch, his fish, business and, most importantly, about his two daughters. As previously shared with Jeanne, your dad spoke of his daughters frequently and, although you may not have felt it, he loved both of you more than anything else. I will sorely miss our conversations, the friendship and the loss of a man with an enormous heart. I have been truly blessed to have your parents as my neighbor for so many years. Gayle Davis

“ My Uncle Joe was one of my favorite people on this earth. He and my Aunt Dorothy were some of the best mentors in my life. They represented class, unity, love and encouragement. Their talents for listening and giving care will forever be my memory of them through my childhood. Joe was always thoughtful and helpful toward his family. He loved his Cadillacs, that old Victrola and mostly his girls with that passionate Italian heart. He said my Dad was the best big brother he ever had. I have so many good memories of our conversations and good times. I watched my children in admiration of him as he advised them as well. Rest in Heavenly Peace dearest Uncle Joe you are loved and missed my sweet friend.
