“ I miss you SO much Joshua, I don't know what was so important that he decided it was your time but DAMN it we are not ready to let you go yet. I remember when you were little and you all were playing whatever and you said something to Uncle Dale and he was chasing you and you made a quick turn, he went one way and his knee went another and he ended up with a torn acl and a knee brace for forever. But MOST of all I remember " Hi Aunt Nette How are you" " when we would see eachother. Oh B- Bop please help us all get through all this. Watch over T BIRD and wrap him in your loving arms please. Until we meet again. #BESMOOTH

“ I'm so sorry Jeri to hear about your loss. I know there is nothing worse as a parent than to lose a child. But you have family and friends to help you get through these rough days. You are in my thoughts and prayers.
