“ I worked at Port Huron hospital along side of her daughter Sue. Joyce was always so cheerful and chatty with that little twinkle in her eye! She was a lovely , classy lady. May all your fond memories help you through these sad times 🥰

“ I have very fond memories of Joyce. I hung out with a couple of her daughters in high school. She was always kind and sweet. My first job was at the Dairy Queen with Mr and Mrs Pettengill at the helm. Lots of good memories 😊 May she rest in peace. Roxane Noetzel Kowalski
