“ I am so sorry to hear of Jaunita passing. She was ALWAYS a friendly face, always smiled. It made my day start of great when she was in the bakery in the morning. She always asked how I was doing, and how things were. I've been thinking about her. I will truly miss her. The world needs more people like Juanita, who genuinely care about others.

“ Amy & family,

I'm very sorry to hear of your mother's passing. It's been a long time, but I sure do have fond memories of our younger years and your mom. She was always such a fun spirited, sweet woman. I hope you find some comfort in your memories during this difficult time. My family and I are thinking of you. Sending thoughts and prayers.

“ She was my best friend, and she knew everything about me. She knew how to be everyone's best friend. She pulled me out of despair, and could make me laugh the whole time I was with her. I bless her passing and prayed it would be quick and fast. She was a shinning star and I will miss her. Love you always Juanita. Marcia
