“ Judy was second sister and third born of seven children. Our mother was an only child but went on to welcome all of us into this world within 9 years! Imagine that! Judy was a very, very kind and sweet sister. She would fix my hair for school, let me wear her clothes and any and all of her cosmetic, nail polishes and perfumes! I do not remember, ever, a harsh word from her mouth, even when I cracked up her brand new Volkswagen. The Avon lady would leave sample lipsticks with my mother who would give us girls one to own. Judy absolutely loved her's! One day our sister Brenda heard Judy in a nearby haystack. She had lost her lipstick and was praying dear God please help me find my lipstick!. The scriptures say in Proverbs 20:11 that even a child is known by his doings whether his work is pure and right. I believe Judy showed her heart in asking God to find her lipstick and then to believe that he knew where it was. I will always be grateful that Judith Jean was my sister.

“ Judy and her family lived down the road from us. She was probably one of my first friends when we moved to Casco. As farm kids we all had chores. Judy's family ran a dairy farm. Judy's job was to wash the milking machines. Washing cow poop off the machines was yucky, but Jude never complained. She was so generous with her friendship and laughter. I will miss her. My thoughts are with her family.

I'm a very old lost friend of the Sterns. Went to school with Bob and Richard at Richmond High school during the earl 60s. I work somtimes at their Sunoco Gas station in Fair View. I unfortunately went into the Army and was wouned in Vietnam 1968-1969. I'll always remember the family, all loving and caring. I spent one of my most memorable Christmas with the Stern at their farm. I loved them all, they will remain in my Heart forever.
