“ As children, we used to fight all the time. After we grew up we became best friends. I live in Sarnia but still a U.S. citizen and worked in Port Huron. Quite often we would share a bottle of wine and a great pizza from Jet's I miss her like crazy.

“ My Aunt Judy was a wonderful and loving aunt. She and I were only 9 years apart. We had a good chuckle when I turned 70 one year and she was still 79 - we were in the same decade!! My aunt loved to cook homemade bread and she loved cooking for people. She definitely was a "meat and potato" gal AND she loved desserts especially her ice cream!! She also had a wonderful sense of humor and she also was very giving and kind person. She loved her family and her friends. She really loved being a wife to my Uncle Walt. He was the love of her life. Emil and I think of my aunt often. We know she is happy and at peace now. We love you very muchly, Aunt Judy. You will always be in our hearts and in our memories. Love, Jill and Emil (Punter)

“ I remember Judy, myself & my other sister Margaret when we shared one bedroom when we were very young. We tried to stay awake all night waiting to hear or see Santa Clause.
