“ Judy and I got to be quite the pair Activity people at Grandview Tower. We were always up to something til her health took a downward spiral. I will miss the many laughs we shared, as well as the tears we shed together. My heart aches that you are gone, but never forgotten. We will see each other again someday, and play bingo together too. I Love You Judy, forever n always!

“ My mom was and is a precious Angel to her grandchildren and I. Who will live within our hearts forever.. It's never a good bye it's when I see you again. My heart is in pain but at relief at the same time I know your not in pain anymore and your having the time of your life with all the loved ones you've missed for so long over the years... I miss you and need your smile and your hugs and love.. But I'll be strong till we meet again.

“ Judith Truance was cool and no matter how many times she got upset with me, I still love her. She always used to spoil me because I was the only grandson. It was fun to have her as a grandma. Rest in Peace grandma. I love you!
