“ Julie was the light of the family, her laughter was contagious and her smile brighter than a moon beam. She was more than just Pete's cousin to me, she and Gil were good friends and family. She will be missed by so many as she made friends everywhere she went. God speed Julie, my heart is breaking.

Julie you were the kindest and most generous friend I have ever had. I don't think you had a mean bone in your body, you were nice to everyone!!

The Health Department brought us together where we worked for many years. The trips us girls from work went on left us with so many great memories.

RIP my friend until we meet again.

This is for Shirley, Julie's friend in Texas. I too heard your name often - she enjoyed shopping with you. Thank you for sharing how she would shop for "things with cherries on them". She has bought me many beautiful keepsakes with "cherries" on them through the years. They are even more special now.

We are both going to miss this "special lady".

My thoughts and prayers are with Gil and family - you had a GEM for a wife, mom, grandma and sister!

I really enjoyed working with Julie at the health department. Even when times were difficult she always had a smile on her face. And I so enjoyed several years ago, when Barbara L. Was visiting me in Texas we went to the island to see Julie. That was special.
