“ *I was Juli's band director in High School. I was so sad to hear of her passing....she was full of life and energy, and worked hard to achieve her goals. I was proud of all she accomplished in her too short life. She will be remembered with a smile always.*

“ I remember when Pam called me on my birthday and she was in labor with Juli. I knew little Juli would always be close to my heart because I got to share this moment with her. As the years passed, I lost touch with Pam, But I found Juli on Facebook. She didn't hesitate to be friends with me when I reached out to her. I enjoyed watching Juli become the amazing young woman and mother that she was. She loved her daughter with her whole being! I know Belle will know what an amazing woman her mother was because her family will carry on her memory to her. Juli reunited me with my best friend, welcomed me into her family, and shared her life with me, even though we never met in person. For that I will be eternally grateful. Fly with the angels Julianne! You will be missed.

“ *Julianne and my daughter Curissa were childhood friends, and they were almost inseperable. Their friendship carried over into their adult lives. She was the sweetest girl I ever met and it breaks my daughters heart that she will never be able to talk to her friend anymore.p I pray for Eternal peace for her and send prayers and guidance for her family and I pray for God to hold this family and to give them strength and to also please watch over her daughter Belle. She will be sadly missed, but never forgotten. Rest In Peace Julianne ?*
