

Karen L. Adler

March 14, 1947 - January 15, 2023

Karen L. Adler, age 75, of Chesterfield Twp., passed away on January 15, 2023, unexpectedly. She was born on March 14, 1947, in Detroit, to the late Wilbur and Ruth Voyles. Karen made a career working for Wimsatt Building Materials for 38 years in the original Wayne location. She earned the nickname “the Hawk” because she was expert in catching mistakes and inconsistencies in the paperwork. Karen had many hobbies and interests throughout her life including a love for horses. She had a talent for sewing and the painting medium, popular in the 70’s known as Artex. Growing up in the 1950’s and 60’s, Karen was enamored of the car culture of the time. It is an interest that followed her into her adult life. She owned two Corvettes and two Chargers that she enjoyed taking to car shows and cruising down Woodward Avenue in. She also had more than a dozen display cases of model cars and other automobile paraphernalia around her home. She loved shopping for items to decorate her home with, including southwest and oriental themed items. Karen would go all out for holiday decorating too, especially Halloween and Christmas. She enjoyed playing the game Rummy Cube. She didn’t travel as much as she had hoped but, participating in a caravan of Corvettes to the Corvette Museum for the anniversary, including driving her car on the Indy track followed by a visit to Graceland was a recent highlight. Her passing came unexpectedly, but she was able to make many wonderful memories these past few months that her family will now count as especially precious. Karen is survived by her daughter Kathy (Keith) Adler-Hadden, son, Michael

(Becky) Adler, grandchildren; Linnea (Cameron) Hadden, Brynn Hadden, Monroe Adler and Adalyn Adler, brother, John (Sheryl) Voyles, former spouse, Robert Adler and companion, Ron Dimmett.

A Celebration of Life will be held at a later date.

Arrangements in care of Jowett Funeral Home - New Haven.

“ I'll always remember the great times we shared over the last few years. One in particular, when You, Kathy & I were headed to Black Rock for lunch in your Orange Charger. We were on Hall Rd near Fairchild when I asked if you ever opened up the charger? At that very moment You put the metal to the pedal... what a Thrill!! Love You Girlfriend, we miss You!
