“ Going to really miss you Karen! We have had lots of memories along the way. Many holidays, and family get together's, lots of laughs, and lots of tears! I love our road trips together, never a dull moment with the two of us together. My favorite story ever from you was our Chicago road trip with Chuck, Michele, and Brooke. I have never laughed so hard, and I couldn't tell you how many times that I have retold that story to my family and friends! Brooke even told her friends! (LOL). I am so sad that our journey has to end so soon, I am so glad that we got to share our lives together for the past 30 years! You will forever be in my heart Karen! And we will always remember "Granny Forever" xo
