“ There are so many memories I have had with you and it's hard to pick a favorite. To going upnorth, camping , and going to see the Dave Matthew's band which was one of your favorite bands or just hanging out at the house. I was your little cousin you called Ory and I called you Karlita just to tease you. You always protected me and loved me no matter what. Your soul is at peace now and you no longer have to endure any pain or suffering. Take care of my Uncle Ken up there I'm going to miss you and am thankful for the times that we have had together. Until we meet again Karlita!! Love always, Your cousin Ory!
