“ *Karlene was a dedicated loving soldier on the battlefield. She was a prayer warrior who gave her service praying for people every Saturday morning on the corners of E. Outer Dr. and E. Warren Ave., rain, cold, hot weather until her health prevented her. She served for 9 years. Her favorite scripture was that she prayed for workers in the vineyard. I love Karlene and I am glad God said, well done my good and faithful servant, come into my rest.*

“ *Karlene you once told me you were my sister. You proved that with the love you showed me over the years. I love you and miss you so much and I realize there was never going to be enough time with you. Whenever you left was going to be too soon for me. You were such a beautiful and vibrant person. Your smile drew people in. You were so carefree and colorful is why you reminded me of a butterfly. My little butterfly has finally transitioned to everlasting peace. Karlene your smile will always live in my heart.*
