“ *Baby I miss you everyday. Beleive me there are lots of times mommy cant handle life because she misses you so much. I love you Kataleya soooo much and I know God is taking amazing care of you. I just miss you so much and wish there was a clock I could turn back to the very morning you left. I would right all my wrongs and do whatever it takes to keep you here with us. Watch over us beautiful baby girl and let mommy know when she does wrong and makes mistakes. I love you so much and I miss you...love mommy*

“ *I remember when you came home from the hospital little girl, you were so beautiful. I would hold you and feed you, you would lay on my bed and sleep. Then when you left our house I never got to see you again. Love you little girl*

“ I love you both very much and my heart truly hurts not just for you two but for Adriana and baby Carlos. There are never any words to express my deepest sympathy. We are left here to mourn but that sweet baby is not; she is smiling down on us and she will forever be a guiding angel for her brother and sister.
