“ *Kathy we shared so much in these last 50 years, I am so glad that I had you by my side and I by your side through these years. I will always hold close to my heart the years we went to see The Rationals and Thyme; we had so much fun and I am glad we shared these times. I will remember our many conversations and your wonderful advice and knowledge. Thank you dear friend for taking care of all those poor, cold kittens and cats that you took in and nurtured and cared for all these years. Kathy Marie I will miss you tremendously, but am glad you no longer have to suffer. We will meet again and sit and visit and catch up. Love you forever Kathy.*
