

Kathleen Ann Caughel

May 13, 1957 - April 17, 2020

Kathleen Ann Caughel, age 62, died on Friday, April 17th 2020, after her battle with bone marrow cancer.

Kathy was born on May 13, 1957 and married her husband of almost 40 years on October 25, 1980. Their marriage was like a fairytale. It wasn't always easy, but they loved each other very much. They had 3 children that they raised in Port Huron, Michigan, and she supported them in all of their extra curricular activities including dance, baseball, band, theatre, and even coached basketball and softball.

She loved her church family at Harvest Christian Church, and could be found at least two or three days a week working in their thrift store. She was passionate about Christmas, and always went full out for the holidays. She also enjoyed going on trips, which included visiting casinos, yearly anniversary trips to Frankenmuth with her husband, and large vacations every year when her children were younger.

She is survived by her husband Roy Ellis Caughel, her children Emilee Lillian (Jacob Buckley) Caughel, Joseph Roy (Nicole) Caughel, and Tristin Ila (Francis) Fagan, her mother Lillian Gerlach, her siblings, many nieces and nephews, and her beloved pets and "grand" pets.

She is predeceased by her father, Gustav Franz Gerlach III.

There will be no viewing or funeral. A Celebration of Life gathering will take place sometime in the future.

“ Roy, Joe, Emilee, Tristin, and extended family, My deepest sympathy for your loss. Kathy was a beautiful selfless person. I enjoyed her smile and her cute sense of humor when I was blessed to work with her. Although we lost contact over the years, I saw how her family has grown into her kind and loving example of love for others. Keep the faith, and know I will be praying for you all during this difficult time. Donna Baker/Linne.

“ There is not enough I can say about this amazing woman I was lucky enough to call “mom”. She was the most loving, caring, giving, kind hearted woman who genuinely cared about everyone and saw the good in everyone. The love her and my dad shared was unbelievable....the love you think you only see in movies...you don't...that TRUE and PURE love was their relationship and I am so happy I got to grow up learning what true loved looked like. She was the person to do anything for her children, husband, family and friends. She was devoted to her church...went to every meeting she could get to...and ran the church thrift store weekly. Her love shined through with her passion for her religion...showing with her mission trip to Haiti and all of the loving church family she acquired along the way.

When she left us she took a piece of MANY hearts with her. She was a fighter...she fought her cancer like no other woman I have seen. She was STRONG, she was BEAUTIFUL and she was the BEST mom I could have ever dreamed of.

I know how much you all are hurting! She was a wonderful woman and I will miss our long talks. She helped me during a very difficult time with her talks and prayers. She fought the fight hard but is now home with God!

I'm so blessed to have known Cathy and she always welcomed me into the family!
