I am so happy that we had the opportunity to meet and spend time with you and Kathy in Florida and hands-down that you both are the one and only "The Friendlies".

I will remember Kathy as a lively, kind and special lady which is shared by everyone who knew and loved her.

“ *To a beautiful woman, who was very interactive, and loving and caring with her husband, her children and her grand children as well as her extended family. She never missed a Douglas family reunion including when she found out she had cancer. And I am thankful for that. And I hope that her family will still attend these reunions so that we can still have a part of her through them. She has left us in body but will always be with us in spirit. Love you Aunt Kathy.*

“ Glenn, I am so sorry to hear this news. You two were good friends. While at DSS-FIA Kathy was not only a GREAT friend but my BEST friend. Hopefully I helped her her through her trials and tribulations as much as she did me. It made our job much easier. Hopefully we will meet again in Heaven where I know she is. I will be praying for God to help you through your grief. Darrell Smith

“ Dearest sister, Kathy, so much good times together. I always teased that you were my baby sister, you didn't like it till you got in your 50's then all of a sudden, you started letting everyone know when we were introduced. You would say, "I'm the baby". Yes, you were and you should have not left us so quickly, but, Kathy, you sure left your mark on all of us. I'm so glad I got to give you the salvation message that one night at the hospital when Glenn let me talk to you on the phone. You couldn't talk back, but, he said you were smiling and wrote you love me very much, and you know I love you. And that you understood what I was saying about the Lord Jesus. Therefore Kathy, I can be at peace about you.....knowing that you went to Heaven! Loved forever never to be forgotten. Your sister Sharon. My heart goes out to your husband Glenn and your family for their sorrow.
