

Kathryn M. "Katie" Hood

July 28, 1951 - March 14, 2026

Kathryn M. "Katie" Hood, age 74, of New Haven, passed away peacefully on March 14, 2026, surrounded by her loving family. She was born on July 28, 1951, in Adrian, Michigan, to the late Colin and Janet Campbell. On May 25, 1991, she married the love of her life, Harvey Hood, and together they shared many devoted years of marriage.

Katie was a woman of deep faith and a devoted follower of Christ. She lived each day with a heart for serving others and often said her mission in life was "to make Heaven crowded." She was actively involved in serving at Living Word Fellowship Church and never missed an opportunity to share the love of Jesus with those around her.

Katie enjoyed the simple joys of life. She loved walking with her friends, was an avid reader, and treasured the time she spent with her family and friends. She also dedicated many years of service to the New Haven Public Schools, where she worked in the lunchroom and became a familiar and caring presence to countless students before her retirement.

Katie is survived by her beloved husband, Harvey Hood Jr; her brother, Colin "Mac" Campbell, of Zellwood, FL; Walter Campbell, of New Baltimore; her stepchildren, Harvey Hood III (Jennifer) and Tiffany Cook (Joshua); and her cherished grandchildren, Tommy, Ella, Maggie, RaeAnn, and Ezekiel.

She was preceded in death by her parents, Janet and Colin Campbell; her son, Robert E. Brush Jr.; her sister, Patricia Campbell; and her brother, Bruce Campbell.

In lieu of flowers, memorial donations may be made in Katie's honor to Living Word Fellowship Church.

In accordance with her wishes, a memorial service celebrating Katie's life will be held on Tuesday, March 17, at 5:00 p.m. at Living Word Fellowship Church in Lenox Township.

“ I was truly heartbroken to hear of your passing Ms. Katie. To her family , I am Corinna, Gloria Guerrero's daughter. What began years ago as two women working together as lunch ladies at New Haven Schools grew into one of the most beautiful and genuine friendships I have ever witnessed. My mummy loved Ms. Katie so very much, and that love was returned just as deeply. I remember standing at my mom's service four years ago and thanking Ms. Katie for being such a devoted, loving, and faithful friend to her. She was always there. Ms. Katie filled my mom's life with so much joy, taking her to the movies, out to lunch, to get custard, and simply spending time together. She lifted my mom's spirits in ways that meant more than words can ever say. Their long phone calls, laughter, and the comfort they gave one another was something truly special. Ms. Katie wasn't just a friend to my mom, she was a blessing in her life and in ours. Ms Katie knew many of our lives stories and including my kids because of my mummy and it was so nice because Ms Katie attended many of our gatherings, last one was of Mia's baby shower after mummy passed. We will always be grateful for the love and kindness she showed. She was our family too.

We love you, Ms. Katie. You were truly an angel on this earth. I know with all my heart that you and my mummy are together again, and heaven is shining and sparkling so much brighter because of you both.

God bless you, Ms. Katie, and may God bring comfort and peace to all who loved you.

“ Katie was a wonderful person, she always had a kind word of encouragement when we would see each other in Church or at the gym, or just walking.
I always admired how faithful and steady she maintained throughout the years, even through her sickness she remained positive.
Katie was truly one of a kind, and she will be missed.

“ *Katie was definitely a one of a kind, the sweetest soul you'd ever meet. She was a part of our family for many year's. To know Katie was to love her, ☐ and we definitely did.*

My son's are devastated at the loss of their Aunt Katie, as my youngest son Bobby said today, mom Aunt Katie was always so good to us. They spent many weekends with their Aunt, & Uncle. We all feel truly blessed to have the cherished memories we have. ☐

Thank you sweetie for the year's we had together. ☐

No more pain, your at piece now with our Heavenly Father. ✨ 🙏

Until we meet again, I love you sweet angel. ☐

Katie truly was an Angel here on earth. She was one of the most Jesus led people I have ever known. Her sweet and positive spirit is one that will be missed more than words can say.

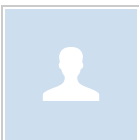

Until we meet again Katie.

Katie was my dear cousin. She always inspired me when we talked. We prayed together and lifted each other and our family members up to Jesus always. She was kind and courteous always. I will miss you cousin. I'm so happy that we will see each other again in Heaven. I love you.

“ Harvey, Katie always said that she was married to the kindest and most wonderful man. She also told me that she considered herself to be blessed to have married into the "Hood" family. The hardest part of saying goodbye to Katie for a while is that there will never be another "Katie." But the good news is that we are not that far behind her. Soon we will all be walking with her in heaven and joining her at the big wedding feast! I love that that every single person whoever met Katie says the same exact thing, "Katie always was kind and welcomed everyone." In 40 years, I NEVER heard her say a mean word about anyone! That was her God given gift!
