“ *Kathy gave for so many people, she had a warm and loving heart. Kathy always was there for all her friends, many considered her an Aunt or a second Mom. She was a wonderful person. With heavy hearts she will be sorely missed. We know that she is now in a better place with her brother and her Mom and Dad. We hope she can have peace in knowing how much she is loved.*

“ I loved Kathy. She was a matter of fact Gal. So thankful she took care of my Aunt Pearl as long as she could . Battling health problems too. That shows just how giving she was. For my Uncle's funeral I giddy have any pants to wear after the service, she gave me a pair of pants . I love you Kathy and will never forget you I'll miss you when I come back to Michigan to. Is it.

“ Kathy and I have been friends since we were teenagers. We have shared a whole life together. I am still in shock but, know it's true. Kathy was the kindest, caring, loving, most welcoming person you could ever meet. (She gets that from her mom!) Everyone loves Kathy. We have been through the best of times and the worst of times. We laughed and cried. We were crazy girls learning are way in the world (having fun). To Grandmas just talking and hanging out. We were always there for each other no matter what. She was a Best Friend. I wouldn't trade one minute of our crazy lives together. I am so broken hearted that it is over for now. But, I will keep talking (out loud) to her from above. The last conversation we had, she thanked me for being her friend all these years. I thank her for being a friend, a sister, and my family. I will miss her more than you know. Words can't express what she meant to me and our family. Love you Kathy, your forever friend Bernice. Til we meet again!❤️😭😭❤️
