“ *Our sincere condolences to Kathy's family and friends. I have so many memories it's hard to choose, the main point, Kathy was the best neighbor and friend anyone could ever have. She would often share her banana bread with chocolate chips for which I was always grateful. Most importantly she was there for me at a very difficult time in my life for which I will always be thankful. Our friendship just grew from that point in time onward. On Halloween we would always give out our candy together on her driveway, I do admit I would go to the other neighbors and trade our candy for their better candy. She made her mark on my heart and I will be forever grateful to have known her. Until we meet again my friend ❤️*
