“ Kelly and family, I thank you for the part of your life that I got to share and the many, many laughs we had. “ *This is such a sad thing, to loose Kelly so early in her life. She always had a smile on her face and was always happy to see you. Although it has been some time since since our last visit. I will remember her from our early years, when life was simplier. God speed to one and all and god bless the family! My Condolences Jeff*

“ You will be very missed Kelly girl, and I am so thankful that I had the opportunity in my lifetime to call you my friend. Kelly was a loving, compassionate, strong woman that saw the beauty in each, and everyday. Her eyes radiated the deepest of love when she spoke of her beloved David, and her children. Our thoughts and prayers are with you all during this most difficult time. I found this poem that I wanted to share with everyone that knew Kelly Girl, as it reminded me of what she may want us to hear....Leah Mitchell

*To My Dearest Family*

*Some things I'd like to say,  
but first of all to let you know  
that I arrived okay  
I'm writing this from Heaven  
where I dwell with God above  
where there's no more tears  
or sadness there  
is just eternal love  
Please do not be unhappy  
just because I'm out of sight  
remember that I'm with you  
every morning, noon and night  
That day I had to leave you  
when my life on Earth was through  
God picked me up and hugged me  
and He said I welcome you  
It's good to have you back again  
you were missed while you were gone  
as for your dearest family  
they'll be here later on  
I need you here so badly  
as part of My big plan  
there's so much that we have to do  
to help our mortal man  
Then God gave me a list of things*

*He wished for me to do  
and foremost on that list of mine  
is to watch and care for you  
And I will be beside you  
every day and week and year  
and when you're sad  
I'm standing there  
to wipe away the tear  
And when you lie in bed at night  
the days chores put to flight  
God and I are closest to you  
in the middle of the night  
When you think of my life on Earth  
and all those loving years  
because you're only human  
they are bound to bring you tears  
But do not be afraid to cry  
it does relieve the pain  
remember there would be no flowers  
unless there was some rain  
I wish that I could tell you  
of all that God has planned  
but if I were to tell you  
you wouldn't understand  
But one thing is for certain  
though my life on Earth is o're  
I am closer to you now  
than I ever was before  
And to my very many friends  
trust God knows what is best  
I'm still not far away from you  
I'm just beyond the crest  
There are rocky roads ahead of you  
and many hills to climb  
but together we can do it  
taking one day at a time  
It was always my philosophy*

*and I'd like it for you too  
that as you give unto the World  
so the World will give to you  
If you can help somebody  
who is in sorrow or in pain  
then you can say to God at night  
my day was not in vain  
And now I am contented  
that my life it was worthwhile  
knowing as I passed along the way  
I made somebody smile  
So if you meet somebody  
who is down and feeling low  
just lend a hand to pick him up  
as on your way you go  
When you are walking  
down the street  
and you've got me on your mind  
I'm walking in your footsteps  
only half a step behind  
And when you feel the gentle breeze  
or the wind upon your face  
that's me giving you a great big hug  
or just a soft embrace  
And when it's time for you to go  
from that body to be free  
remember you're not going  
you are coming here to me  
And I will always love you  
from that land way up above  
Will be in touch again soon  
P.S. God sends His Love*

“ Kelly was the true definition of living this life  
Boldly, Confidently & Victoriously.  
We will celebrate your life and strain forward  
to being united with the Lord.

"Therefore let us draw near with confidence to the throne of grace,  
so that we may receive mercy and find grace to help in time of  
need."

“ *I saw Kelly last Tuesday at Port Huron Hospital. Her breathing was labored, her voice barely audible and her movements were quite limited. If you could have seen her break into a version of "love shack" accompanied by a small hand dance ... you would have witnessed what my sister was all about. Miss you little sis, much love, your brother Bob*
