“ I have known Kem since highschool, she dated and married a buddy of mine back in the day. I have known there children since they were born. Kem was a great gal and I'm so sorry for her family, old family whom I knew and her newer family whom I never had the pleasure to get to know. God Bless you all.

“ Bill, Rachel, Andy, and Colton, my heart is hurting for you all for this incredible loss. Bill, your love and unwavering commitment to Kem until the very end were honorable and inspiring. You spent 19 years together building a family, love, and respect for each other, which showed every day. Kem was beautiful inside and out. She was a nurturing soul to everyone. My favorite memory is when you two got engaged, and we threw her an engagement pool party with blow-up ring floats and a veil! She was always so much fun, and I'm thankful I got to know her through your family. This is an incredible loss for you all. May you take comfort in knowing you showed up for her every day. You did it all, and it didn't go unnoticed by Kem. May she rest easy, and may you all find peace knowing she loved each of you.

“ *Bill and Rachel,*

I'm so deeply sorry for your loss. While I didn't have the privilege of knowing Kemberly personally, the stories I've heard over these past few weeks about her and Bill have painted such a clear and beautiful picture of what real love looks like.

It's clear that what you shared together was something truly special. Even in the midst of loss, that kind of love doesn't fade and nothing can take away the memories you built, the laughter you shared, and the life you experienced together. Those things remain, steady and lasting.

Please know you're in my thoughts during this time.

With heartfelt sympathy,

Bill & Rhonda Adams
