I wish I would have taken the time to know him better, but I loved him just the same. Rest in peace dear Uncle & please keep Dad & Uncle Floyd out of trouble. :)*

“ *Kenneth Adolph was one of my first cousins. He was 2 years older than me. His mother and seven siblings lived on my father's farm for a few years, in the house where I was born. He was my favorite male cousin and we had a lot of fun, along with the other kids. He was always a hard worker, along with his older brothers, and always very considerate of my sister and I when we visited our grandfather on his farm next door to my dad's farm. His dad was my mother's brother.*

My sincere condolences to his family. I am sure he will be missed, but I am thankful that the Lord has received him, and that his suffering is over.
