“ Sounds like there are many memories that may take some of the sting out of losing such a special man. I remember visiting Delaware at the same time as Ken, and he made the most amazing ribs I have ever eaten!

Love and prayers to of all you for your loss,

“ We met in the early 60's cruisin Woodward avenue. Ken was engaged at the time. He had a shiney black hard-top 57 chevy with a BIG engine. I drove a orange Ford convertible. We fell in love, married and had three children together, Kenny, Tim & Krystal. There were may good years and a few bumpy along the way. When we parted ways in 1977 what I missed the most were those large "Carroll family" party gatherings. They were great times. Almost four decades since that time we maintained contact and shared family times together. Thanks for the memories Ken. Your wife of fifteen years, Sue.

“ For years the Carroll family had our family reunions at Stoney Creek in the summer. The arrival time was in the afternoon about 1PM. Ken would get up early in the morning the day of the reunion & get to the park @ 8 AM. He would do this to hold the picnic area so that the family could relax & take their time getting to the park. Ken appreciated the once a year event so much & went out of his way to do this for us. I don't think I ever told him how much we all appreciated his kind jester. Thank you Ken! Love your sister,
Kathleen
