“ *Uncle Kenny will always have a special place in my heart.He was good to me growing up we visit him every summer.Unfortunatly as we get older and have families of our own,we don't get to see one another like we would like But at least I was able to speak to him on the phone.I will miss him very much and he will always be loved and never forgotten. “ *I am so sorry for your loss. We may find that are hearts are weighted down when we lose someone we love. Many calamities are the results of "time and unforeseen occurrence" as Ecclesiastes 9:11 says. But no matter what, we can cope if we focus our attention on "the God of comfort" who comforts us all. He will give us the strength needed to continue on. I hope this bring you and your family some comfort during your time of need.*
