“ *My brother even though we haven't spoke in almost 20 years I love you and I'll miss you. I'll always remember you taking me 2 Julie's when I was a kid to play double dragon, I'll never forget I'll see you at a later date.*

“ *Kenneth
Loving Father, Brother, Partner, & Son
We love and miss you dearly.
There's not a day that goes by we can't control tears with the deep sadness we all have and miss you so much and would all do anything to let you know that.
Please watch over noodles, dad. 💜*
