“ We grew up together . He is my first cousin and we lived right next door to each other 5th grade. Had a lot of good times in the hay fields . We would argue and his mom would make us stay on our own side of the driveway.. Then we wanted to make up and get on with what we were doing.. Good ol days. Lol you will be missed Ken. Say hi to Bradley and my dad for me. 💜

“ Remember playing golf with Ken at Leaning Tree. We were searching for a ball and we were both leaning out of the cart. I spotted the ball on my side and made a hard left turn and dumped Ken out of the cart. He took it in good stride. Dean
