“ It was not a coincidence that God put you in my path. You met me at my lowest and brought me up from the depths of hell and showed me that i mattered and people like you loved me no matter what. There is no way i could ever repay you for what you did for me except for living right and passing on the love you have shown me. You will always be in my heart and you will always be family to me.

“ Oh Kerry, my heart is so very heavy because I will miss our silly talks and also deep heartfelt ones too! Kerry helped me in so many ways, to take things serious but to always make light shine through too! What an exceptional man and I am so grateful he came into my path! He really taught me a few different views on life. Prayers to family and friends 🙏 Til we meet again my friend 🙏😊 Tammy M.

“ Kerry and I have been friends for a lot of years. During our teenage years we were practically inseparable. Kerry has always been so funny always made me laugh. As our lives went in separate directions we have kept in touch through the years. We bumped into each other a couple of months ago. It was raining I was coming out of the grocery store and he was going in. We caught each other up on our present day lives. But most of all we laughed about some of the stupid stuff we used to do when we were younger. I'm so glad I had that opportunity to see him. I will miss you Kerry Little. We were friends
