“ *My name is Connie. I worked with Kevin for nearly 7 years. He was a good, hard worker! He made me mad as hell sometimes but...he made me laugh like no-one I've ever known before. He Truly touched my heart! He told me how he was taking care of his brother's cat while he visited his dad, I asked him how long had that been? With a big Kevin smile, he said "3 years!" :-)* He was a unique individual & I will miss him dearly. I'm sincerely grateful to have had the pleasure of having him in my life. God Bless You
