From the JENKINS FAMILY to you Kim. You were so much more then a support coordinator with my sister Kim and my nephew Robert J. You made everything easier. Always willing to assist. He and I were preparing for your visit to the house this June! God Bless your sons. You always spoke so highly and proud of "your boys"! Miss you already!

Kim! You are gone too soon. You were such an advocate for those who had nobody else in their corner and will miss working together to serve our community. Your heart was big. You knew how to laugh and cry, how to give your all and how to have fun living life. You are missed. I am sad that your light no longer shines.
