“ Koby you were taken away from us far too soon and now we are all left with a huge hole in our hearts. The gift you have left us with is all of the fond memories of watching you grow in to the sweet, kind, thoughtful young man you grew in to, with the beautiful smile and infectious laugh. You will be missed and our family will not be the same without you. May God's blessings be with our families, extended family and friends to help us all through this difficult time. Love you forever!!! Darlene Hudson and family of Oceanside, Ca.
