“ Dear Tasi family: I am so sorry to hear about Kristaq's passing. But I am so happy that we were able to visit with him a few times while he was in the hospital. The last time I visited with him he had been moved out of Intensive Care. Like always, he had a smile on his face and again, asked about our children. He was always wondering how Christina and Jonathan were doing. He will be missed but knowing that he accepted Christ as his Lord and Saviour before he died, makes the passing much easier because I know beyond a shadow of a doubt we will see him again!! He's out of pain and is in heaven with Jesus. I have to actually work, private care duty, Saturday morning between 7am til 3pm. If you all will still be around after that time I will try to stop in and visit with you. You're in my prayers. God bless.
