“ I am extremely saddened to hear that Kyle passed away. He really was my brother from another mother. I worked with Kyle at Black River Country Club for 5 years. A brave, intense fighter. He would be out of breath while working, I tried to send him home umpteen times. He wouldn't go. What a fighter. A remarkable human. He was like a little brother. I loved him as if he was my little brother. What an inspiration to so many people. He called me when the lungs became available. He was so excited, so stoked, he could barely get the words out to me. I was sobbing. I was so happy that he called me with the news. Someone else's tragedy brought Kyle 10 years of life. So many thanks to that family that gave Kyle the gift of life. I'm going to miss Kyle so painfully, but always treasure the time we spent together. Rest in peace, my brother.
