

Kyle Patrick Marshall

October 17, 1980 - April 25, 2022

Kyle Patrick Marshall, age 41 of Redford, formerly of Port Huron, died unexpectedly on April 25, 2022. He is survived by his parents Ilene Marshall and Jerry (Sue) Marshall of Port Huron, Lindsey Marshall of Northville, two sisters Kerri (Todd) Birtles and Kristin (David) Roberts all of Port Huron. He is further survived by many nieces and nephews; Zachary (Lyric) Birtles, Laney Roberts, Austin Birtles, Brady Roberts, Kailey Birtles, Hannah Monzo, Brendan Relken, Leah Catalanotte, Genevieve Relken, Avery Catalanotte, Dylan Relken, Liam Zablocki, a great nephew Jayce Birtles and soon to be great niece Heartlin Birtles. He is preceded in death by his beloved dogs Kennedy, Abby and Ellie.

Kyle was born October 17, 1980 in Port Huron. He graduated from Port Huron Northern in 1999 and from St Clair County Community College in 2001. He moved to Redford in 2002 to pursue a career at TRW. Kyle married Lindsey Relken on July 7, 2007.

Kyle worked at ZF in Farmington Hills, formerly TRW, for 20 years. At ZF Kyle made an incredible friend group with whom he made many memories and who he considered his close friends. One of his favorite things to do there was break stuff and organize the Chili Club.

Kyle enjoyed traveling, hiking, and playing poker. He also volunteered for

many years handing out programs at Detroit Red Wings Games. Kyle was most happy being around family and adored his nieces and nephews, oftentimes playing and rough housing with them like he was one of the kids. Kyle will be remembered for his kindness, his sense of humor, and for being a little too loud. He will be missed by everyone whose life he touched.

Funeral services will be 2:00pm Monday, May 2, 2022 in the Jowett Funeral Home, 1634 Lapeer Avenue, Port Huron. Minister Scott Pike will officiate. Visiting hours will be from 11:00am until the time of service at 2:00pm in the funeral home.

Memorial tributes can be made to Blue Water Area Humane Society or J.D.R.F.

“ I’m not sure if I can put into words the special bond we shared. I can’t turn a page in my photo albums without seeing your face. You’ve been a part of every single important moment in my life since I was 16. You were my brother and my partner in crime. Our McD’s days, road-trips, respecting the stick, brushing our teeth with q-tips, concerts, ball games, Phillip the hyper-hypo, air-guitars and broom guitars, playing catch, zombie crawls, scavenger hunts, Larry, sumo wrestlers, MS walks, swimming, Scooby-Doo, Mallrats, telling people we were twins, laughing together and all of the music. I remember that you promised me you’d never die. I promise you, I’ll never let you!

“ Kyle’s laugh and “triple hugs” are what I will miss the most! He could make you laugh with just a look and I could make him laugh just by pointing at him (he was VERY ticklish)! I still can’t believe he is gone! Snuggle our girls tight up there and don’t let go! I pray we will see each other again someday! I love you MORE!

“ Our sincerest condolences to Kyles family. We never had the honour of meeting Kyle but Ilene spoke of him often, I know he was a kind loving son and brother. My heart is heavy knowing that he is no longer present here on earth, the family circle is broken. We are wishing you peace, comfort, courage, and lots of love at this time of sorrow

“ I worked with Kyle for almost 20 years. We handed out programs and pompoms at Red Wings games together. We watched a lot of home regular season and playoff games. I love playing poker with Kyle. I enjoyed pushing him with large bets and watch him wrestle with the decision. If the decision didn't go his way; the reaction was always exciting. We had a great time playing whirlyball, going to Tiger's games and going to Player's after work. Kyle was the go-to guy for our department. Anything you needed done Kyle was your man. Thanksgiving luncheon will not be the same. Kyle worked so hard to make sure everything was just right for the luncheon. His voice projected so loudly that you could hear him laughing from anywhere in the building and he did it often. ZF will not be the same. He was taken way to early. I truly believe he is playing with his dogs in heaven right now.

“ I worked with Kyle for almost 19 years at ZF/TRW and shared so many great, hilarious, and of course embarrassing memories. There were golf outings , playing basketball games at bldg 2, fantasy football convo's, bus trips downtown for pub crawls before heading over to see the last couple innings of Tiger games, Whirlyball, trips to building 3 (aka Players Bar & Grill which is now an El Patio), Bachelor parties, and Weddings. Though some of the best times were hanging out at someone's house (usually Kyle's) for poker parties. It goes without saying Kyle had his hands in what seemed like endless responsibilities at work and yet always seemed to have time to manage or be involved with extra curricular events, boosting morale of all coworkers attending. Kyle was a great co-worker, but an even better friend. The halls of ZF bldg 1 will be too quiet. He was taken too early but will live on in some of the best memories to talk about for years to come.

I have worked with Kyle his entire 20 years at TRW/ZF. He and I always had stories to share because we both grew up in Port Huron. He would come up for the weekend to see his mom and I would run into him getting food or getting something he needed to help his family. We had our own little club at work being both from here. I only wish I had known him longer, he was a good friend and always willing to share a joke and a laugh! One of biggest challenges was leaving all my friends and coworkers when I retired and will miss everyone especially Kyle and all of the guys in Test Engineering.

“ *We didn't know you well. You were always so quiet. But, it was most apparent that you were a great uncle to our grandchildren, Laney and Brady. I'm sure that they will always remember you very fondly.*

“ My heart breaks for everyone who knew him. I don't know where to start. Let's start off by saying if you were trying to sneak into a cave where a grizzly bear was trying sleep Kyle would have woke the bear up whispering, lol. I don't think he had a volume button. We had a lot of great times that I'll never forget. One thing that I think that everyone knows is he loved his nieces and nephews and he has a ton ! He talked about how proud he was of all of them. Not only were you a brother to me you were my best friend. I'm going to miss you. To this day every time I hear the Red Hot Chili Peppers on the radio I picture you flipping the channel telling me that they suck ! Lol. No they don't Kyle I know you really liked them deep down inside, haha 😂

Peter Michael - April 27, 2022 at 07:41 PM

“ Pictures don't do it justice, but are a great reminder of how special our time was with you Kyle. There aren't any words in any language that describe what a great brother and uncle that you were. You are loved my so many people.
