“ *To the surviving family of Larry Baldwin. My name is Steve Way. I worked at Morton Salt 1970 - 1985. I had not seen Larry since the plant closing in 1985. I worked with Larry in the Shipping department. At that time much of the jobs were still very much manual labor. We worked hard and through it Larry always had a smile and encouraging words for me. He and I got along well. Again, I most remember his big smile. I am sorry for the family's loss and regret not having seen him since. Please accept my most sincere condolences.*

Yes, dad always shared stories from Morton Salt. He had such a big heart, it's nice to hear stories from others that his big heart and kindness had reflected in their lives as well.
