“ I served with SSG Kolarik in Union Lake, and again in Germany. Being from Saginaw I swapped stories of home. His favorite ones usually involved fishing. Sad to hear of his passing. Of the two crews in Germany, I was glad to be one of his E-5's. His was the tightest and best prepared.

Of course, we were, he made us that way.

God Bless..

“ He was a true blessing as a brother. He always told me that when something happened yesterday it was the day before yesterday night. You are free. I always loved you. He really loved his country.
