“ For years growing up in Tuscola me and Lars were best friends. we pretty much lived in his pool in the Summer. We took a number of canoe trips down the mighty Cass. And we would pester the heck out of Nels. We lost contact with each other the last few years but his friendship during those years is something I will always remember fondly. Chris Haines

“ Lars I really don't know what to say except that you will be missed by your family and friends. We didn't know each other well because I left Michigan and didn't get back for the family gathering. The few that I got to and you were there always smiling and friendly. I was saddened by your lose and I hope you are at peace.
