“ Dear Lois and Roger,

*You have my deepest sympathy and utmost understanding. It is so sad to lose Laurie, but we can have joy in knowing we will see her again.*

*When I think of Laurie I immediately think of her cheerful laugh and bubbly smile. It seems like if she was anywhere around you knew exactly where she was! With her liking horses it is too bad that she didn't have the opportunity to go riding with my sisters since they loved horses too.*

*Many times I would stop in at your home and chat with you, Lois. I would sit in the kitchen while you did your dishes or something. You would tell me about growing up or words for the wise from your mother. You were always so easy and interesting to talk to. I loved your mint green '77 Cadillac Coupe de Ville! When I used to see you busily at work at the grocery store you always had a nice smile and kind greeting for me.*

*Roger is a wonderful friend and I miss him a lot since I moved to Arizona. We had a lot of fun together swimming, riding motor cycles, goofing off with the Jahn brothers, and an occasional ride in his first car, a Buick two door hard top! After I went back to CMU to get my master's degree I didn't see Roger since shortly after that since I moved out west. On one morning when I had flown home for Thanksgiving I had the chance nice surprise of bumping into Roger face to face as he was leaving the Coney Island Red Hot restaurant in Port Huron. It was short, but so nice to see him again.*

*Thank you so much for the fond memories and your many kindnesses! I wish you both my best in all you do!*

*With a huge hug for both of you,  
Jimmy Olsen*

“ I am so sorry to hear about the passing of Laurie, may God look over her family and the grandchildren she loved so very much.

*Dying young*

*Sometimes its hard  
to understand why  
Someone young  
should have to die*

*No reasons are given  
It just happens that way  
There's nothing we can do  
Nothing we can say*

*Our time here on Earth  
We will transcend  
Here is not forever  
And life doesn't end*

*There is a place  
Through an 'open' door  
It will be familiar  
For we've been there before*

*So don't dwell on death  
For its not the end  
Spirit is eternal*
