“ Just learned of Hoopie's death via SCC retirement flyer. Hoopie and I worked together at PHCC. My memories of her smile, positive and humorous outlook always created wonderful staff morale. She was entirely trustworthy and provided great suggestions to make our therapy services more professional via her grand empathy. Her year-round Christmas celebration enchanted us all. Little did she know that her person was THE gift that we wanted and needed. I wish I could have more direct family contact, if possible, about this dear, dear friend and human being. Now the Lord surely has her by the hand in addition to her picture on his desk. Jared Baker, 222 Burke's Garden Rd., Tazewell, Va. 24651 276-701-6100. God bless you all.

“ I am so lucky to have met Hoopie when she came to live at my mother's nursing home 2 years ago. She lit up the place with her smile, humorous stories and those stylish Hoopie hats - she always had a hat on as well as a smile. My hugs to her family, especially LaDon who I've known for years. Take comfort in knowing there are many of us who share in your grief. Hoopie's memory will always live on❤️

“ Fond memories of Hoopie from days past at St. John's UCC. I remember her as always having a sparkle and a smile about her, and as a very involved grandma in her grandchildren's lives. We've lost some tremendous people this year. Prayers for her family as you work through brief and know that her love still surrounds you.

“ *My thoughts and prayers are with you in the loss of someone so special. I have so many wonderful memories of Hoopie and our early days at CMH. We had a special bond, especially among the clerical staff. We were not only co-workers but friends who enjoyed spending time together afterhours. One of my best memories is visiting her at the holidays and being totally captivated by the beautiful Christmas village she set up annually. It was inspiration for me to begin my own display, although I never was able to achieve the degree of artistry she did. Each year when I set up my village, I smile, think of the many wonderful times we shared and thank God for the privilege of having that spunky lady a part of my life.*
