“ There are no words that can ease the sorrow that you are feeling right now, but I share in the grief of losing a loved one. Uncle Jerry would speak about his sister Pat and her husband Larry but unfortunately, I never got to know your family. I am so sorry for your loss....

“ I knew him as Timmy, he was my cousin. His family would come over our house for holidays and family events. After his mom .my aunt passed we didn't keep in touch much, he got married and never heard from him again. I tried reaching out to get that connection again but he never replied. Life is short and precious. I am glad for the memories that have of us as kids. I wish we could have had more as adults. Rest in peace and my condolences to his family.

“ *Lawrence was my husband! I will miss his sense of humor. He was a hard worker. He finally got his dream job of working at a dealership (Morans Chevy) in 2020 as a professional auto detailer. He loved his job! He loved going to Lapeer Dragway, and Summit Motorsports Park, he loved NASCAR, he loved hot rods, he loved cars! Most of all he loved his family! He will sadly be missed by everyone who knew him!*
