“ *Sending my deepest condolences and sympathies to Lea’s family and those that knew and loved her. She was a great high school classmate and friend. Every year around the holidays she’d think of others by sending out holiday cards and I was always the lucky recipient of one and I’d send one back in return. I’m definitely gonna miss receiving my card this year but take great comfort knowing she’s no longer experiencing any difficulties and she’s not in pain anymore. Lea will forever remain in the hearts and minds of those she touched during her time here on earth.*

“ *Lea, I haven't had any words to express my sadness at your passing. You were so young, and while I know you've struggled with life's hard blows - losing your sons, your health, and life in general - I always hoped and prayed for you. I hope you are with your beautiful boys now, and finally at peace. Jeff and family, I am so, so sorry. My heart breaks for your loss. Much love and light and prayers to all of you.*
