“ I don't know what to say brother, you were loved by so many. Your heart was as big as the universe, you would rush to any one in need. My life changed the day you died, how will I ever get by without our daily or nightly text about conspiracies and all that crazy stuff 😊😊 I go back and read them now and giggle. I will keep checking in on Pepper, Lulu and Bebe💕 I miss you so much and I wish I could have saved you. 💔 rest easy brother, save a spot for me 😊
