“ Lee was special. He touched my life as well. He was caring and honest! He stayed after hrs to help me with a repair. That is rare now a days. He was a pillar of the community and is sorely missed! God Bless his family!

“ As you read the memories of Lee, all of them speak to his generosity and they are all correct. I have so many stories of Lee helping me from repairs, he has loaned me cars to use, and just there for personal advice when needed. Lee set the bar high on how to treat people and did so with his motto of "Start by Listening". Lee never made your silly questions feel silly at all, even when you thought he would. Lee would make even the smallest conversation seem important to him, Lee always made you feel important!! I struggle to find the words to describe Lee Thomas. So I will end this by saying that Lee exemplified what it is to be a great Christian, a true salt and light of earth kind of guy. The kind of guy I want my son to become, and if I can get my son to become even half of the man Lee was, I will have done an amazing job raising him.

Lee was more then a mechanic, Lee was an angel of a man that just happened to fix cars.

Godspeed Lee,

Matt Hall

“ We are still trying to understand how Lee could be gone from this earth...😭
He has done so much for our family, not just our cars, but Lee knew the stories, he would try to fix a boo boo before "Dad" would see it! He often charged us nothing for the little things and always honest and fair on the big things! Always a smile he made you feel yours was the only car that mattered. Well done, good and faithful servant! Our hearts are broken for his family. We pray for comfort and peace for them and the guys at the garage!
With love and prayers from the Shinaviers

“ Sending my prayers. Lee just recently helped me out with my car. I have a disabled husband not getting disability yet and had a lot wrong with my car. He gave me as great deal and took payments. He also sold my daughter a good running car. His generosity touched my heart. He was a good man and I am so sorry for your loss.

“ *Lee was a great man my husband detailed cars for Lee's Auto and sometimes I helped! I came in every Friday to clean up the break room and bathroom. Lee was always appreciative of us helping out! Loved going to the bump and runs cheering on Lee's Auto! Lee actually gave me a sweatshirt to wear to the bump and runs so we could represent his garage! Lee will be dearly missed! He was a great man!*

“ I work at Flagship Credit Union and we saw Lee almost every day, sometimes twice a day. Lee was quiet, not saying too much to us, but when he did, he always made us laugh. He was a great guy and we will miss him greatly. Blessings and prayers to his family.

“ Lee was a part of our family.....my daughter Heather for 5th grade drew a picture of a local business for a school project..she chose Lee's Auto..they had moved in down the street so I took her down to meet him...also Heather and Sean were starting a paper route and he said he better not miss his paper (joking with them) they were in awe of his size and made sure he got HIS paper. But that wasn't all...we all became friends our youngest Danielle and their daughter Megan became best friends.....still to this day they are together all the time...The kids all gained a second pair of parents and the spouses gained another husband/wife.....of course the guys said 1 wife was enough.. I always got a Hi honey..when i went into the shop and a bop on the head since i am so short.! We shared all the kids birthdays,dance recitals, Christmas and Easters together. Graduations and my oldest wedding. We went to dances together at the schools and for charity.

He had me do Christmas shopping one year for his wife. He said "you guys know what each other wants so you can get the stuff so I won't screw it up. Lee loved his family so much, his dedication to Denise and Megan was deep. ,My wish is that everyone who knew him and came to his business will continue to do so. His legacy has been handed down to his daughter and wife and family. You will still be getting the "Lee approved" kind of service. It is hard on all of us who were especially close to him and all those who dealt with him on a professional basis. Please continue to support his business and his family...I loved you Hubby #2 and will make sure both Dave and I that we will continue to support and help out not only at the shop but take care of Denise and Megan...Denise is my sister and my kids Mom#2. That will never change...I have asked the Gods and Goddess to watch over you and your family.....Love and will miss you more than you will ever know.

“ Many years ago, One of my Sisters went to an auto Garage with an issue, she was told it was very serious; and expensive! A friend told her to go elsewhere to get a second estimate. Long story short, \$20.00 bucks fixed what She was told elsewhere was a \$300.00 problem! He was always Honest, fair, and Generous. A Genuine sincere Individual who helped any He could in the Community. God Bless You Lee!
