Tribute Wall

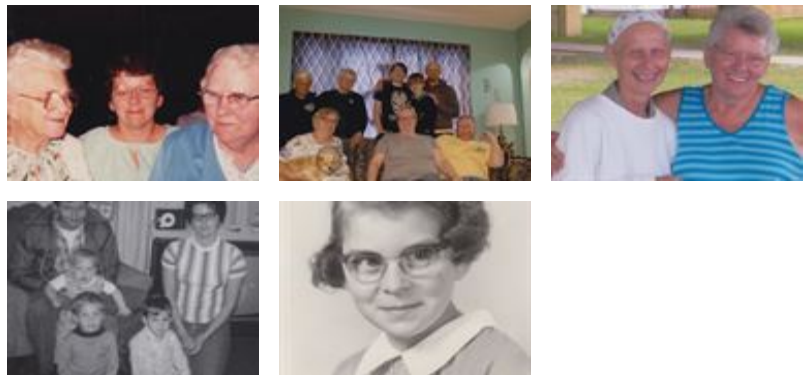

“ I just learned about Lillian’s passing. I have tried to get ahold of anyone who can tell me where she will be buried but haven’t had any luck. Like I said I just learned of this and hadn’t a chance to attend any of the services. If anyone could help me I would be so great full. God be with Lillian and her family!
Thank you for your time

“ *Lil had been my friend for almost 40 years . There are so many memories that I could not pick just one. She always was there for me when needed. I took her to her Chemo a couple weeks before she passed and she said she had a few things on her bucket list she wanted to do .one being she wanted to go to Cracker Barrell for lunch ,that was something me and her did when she came to town so she wanted to do it one last time and we did . The other being she always came down every Christmas and saw my tree , well this year she didnt make it but I will put a special ornament on my tree and I know she will be looking down . I will miss you my friend.*
