“ Linda was one of my most treasured friends. She was always fun to be with and i will never forget her great massages that were only supposed to last for 45 minutes but by the time we were done talking i would had a 2 hour massage. We were kindred spirits with our love of dogs. You will be greatly missed my dear friend. I am sure you and Dick and Gloria are having a hoot up in heaven

“ *Linda and I have been friends since grade school. We would laugh over memories of sleep overs and getting in trouble. During our teenage years I would come stay with her family and remember going to high school with her for a day. Then I stood up for her wedding and watched her become a mom. Our kids played together when they were young. My boys loved the woods behind her house, her boys liked our Legos and we would always laugh about when Molly fell in my toilet! I loved her sense of humor and no one could match her wit - to say she had a way with words is an understatement! We all have our “Linda” story about some crazy adventure! I had several adventures. She could always make me laugh - I would tell her she missed her calling as a standup comic! Rich, for sure your life with Linda was never dull! I understand the kids had a great last Christmas with her- wish I could have seen that! I hope just thinking about having fun with your Mom will always put a smile on your face. We will never forget her and I will forever miss being able to call her just to catch up, talk for hours, then hang up laughing. I know she was a believer so I know where she’s at and I know I’ll see her again someday, But today our hearts are breaking as we say goodbye to one incredible lady. May our Lord Jesus give you His comfort and strength,*
