“ Linda,  
*Honoring loved ones no longer with us in today's world has taken on many new directions. My family and I choose to remember you in our own private way – through our photos of those special moments you spent with us, through the lilies of the valley (your flowers) that are planted all around my home, and through those very special memories of our childhood. We are happy that you are no longer in pain, enjoying God's never-ending sunshine and, perhaps, conversations with your son and our sisters and brothers who were waiting to greet you. We hope that you will watch over the family left behind. Perhaps – one day – we will meet again. Until then Sis ... I will think of you and the rest of our siblings already in Heaven every day. May you Rest in Peace with the knowledge that you will be sincerely missed.*

*Claudia (Anderson) Boutin and my family – Michael, Kim, and Nathan*
