“ *I wish that I would have been able to fly out for my sister's funeral but I know her children understand why I am not able to. I will miss you Lisa and carry only the fondest memories of us growing up. You were my voice when I could not speak, you were my protector when I was young, and my friend as we grew older. Give mom and dad and our extended a hug from me. I miss you all. Love, Tiff*
