“ *Dear Jerry,
Sorry to read about Lisa. It's sad to see this happen to someone loved by so many with so much to look forward to. But it is good to see she valued her relationship with God. Despite the pain take comfort in the wonderful hope of seeing him again (John 5:28,29).
In a world free of sickness, pain and death (Revelation 21:3,4).*

“ It was close to 10 years ago I met Lisa. Her and Jerry (and craig:-) cut my lawn. Her and I instantly became friends. I was a new Christian and Lisa was a Christian, but wanted very badly to be closer to God. She responded to her convictions and each time we ran into each other after that she had an awesome story about how the Lord was working in her and her family's life. I was so happy for her. What a sweet, sweet person. She loved her children and grandchildren so much, she ALWAYS brought them up in our conversations. I look forward to seeing you, Lisa, in Glory!!!
