“ My wonderful sister-in-law, you were always with a smile, made me laugh, and stood by me through some of the worst times. You loved my kids like your own, loved our family with all your heart and what an amazing person you were. We love you and miss you.

“ Imagine if I was given one moment,
just a single slice of my past.
I could hold it close forever,
and that moment would always last.

I'd put the moment in a safe,
within my hearts abode.
I could open it when I wanted,
and only I would know the code.

I could choose a time of laughing,
a time of happiness and fun.
I could choose a time that tried me,
through everything I've done.

I sat and thought about what moment,
would always make me smile.
One that would always push me,
to walk that extra mile.

If I'm feeling sad and low,
if I'm struggling with what to do.
I can go and open my little safe,
and watch my moment through.

There are moments I can think of,
that would lift my spirits every time.
The moments when you picked me up,
when the road was hard to climb.

For me to only pick one moment,
to cherish, save and keep,
is proving really difficult,
as I've gathered up a heap!

I've dug deep inside my heart,

*found the safe and looked inside,
there was room for lots of moments,
in fact hundreds if I tried.*

*I'm building my own little library,
embedded in my heart,
for all the moments spent with you,
before you had to part.*

*I can open it up whenever I like,
pick a moment and watch it through,
my little library acts as a promise,
I'll never ever forget you*

*Lisa you were a huge part of my childhood. I we have not talked in
years but I know when we saw each other again we would pick right
up where we left off. I love you Lisa and cannot believe you're gone.
But you will never really be gone to me I have a very special place
in my heart for you and always will. R.I.P Lisa this is not goodbye
this is till we meet again.*

Hello Mama Lynn. I read this and thought of everyone that has been affected. I love you all.

The Loss Of A Loved One

*The loss of a loved one is so hard to face,
you just want to hide,
go somewhere and escape!
But death is something,
we all must go through,
I know it's hard,
when it's someone you loved and knew.*

*Just know now,
Lisa is in a better place,
no more hurt or pain shall she face.
It seems unfair and yes this is true,
but she is in Heaven now
watching over all of you!*

*God has called her home for her to rest!!
And she's being well taken care of
Because God knows best!*

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear*

I wish I could've met her. She was beautiful. God bless you and the family. Whatever is needed know that I am here. Need a laugh, I'm here. Need to cry, I cry with you. Need a hug, mine are the best! ;) And like I always say, don't say good bye but until we meet again.

*Lisa although we've never met I could always feel your presence.
You're family loved you dearly and you will live on forever in our hearts.
I will continue to enjoy all the stories I've heard about you. May you
R.I.P. God bless you.*
