“ I have fond memories of my cousin, Lonnie. I remember playing dress ups in Grandma Watson's upstairs attic room. We would take turns with the cape, a favorite of ours. I remember watching him play baseball. When we were very young we took a bath together. Aunt Donna had us wear our underwear in the tub. She wasn't ready to give any sex education. RIP Lonnie.

“ Lon was always like an uncle to me. He always had a story to tell and a laugh to share. He loved the red wings and Jeff Beck. When I was little he would color with me. Lon was our local weather man and would always warn the neighborhood of incoming weather. He was excited when my son was born and loved to gift him things. Lon touched many people and was loved by all his neighbors. He was more than a neighbor, he was family. We will miss you dearly lon. The neighborhood won't be quite the same without you. Love always, kat
